Banque du Caire

Offers you a broad range of non-financial services and benefit packages provided by our partners to make your life more comfortable and meet your unique lifestyle

## 1. Ahlan VIP service at Cairo International Airport

Luxurious experience that you won't forget at Cairo International Airport.

Whether you are travelling or arriving to CAI, a representative will accompany you to the arrival area or a vehicle awaiting your arrival to help you with avoiding the crowd and skipping all the queues from the entrance of the departure terminal to the plane door.

In addition to the above mentioned benefits, while you're waiting for your flight, you have full access to CAI VIP lounge & our agent will take care of all of the pre-flight procedures on your behalf (security check, check in, receive the boarding pass.. etc.) and while the boarding announced the agent will accompany you to the gate.

To request the service and to know terms & conditions, please call **15160**
